

Connecticut Ancestry Society, Inc. Annual Meeting & Lecture

Beyond Deeds and Mortgages: Surprises and Stories in the Land Records

with Frederick C. Hart, Jr., CG, FASG
on Saturday, May 30, 2008 at 1:30 PM
at The Stamford Historical Society
1508 High Ridge Road, Stamford

Following a brief annual business meeting, Connecticut Ancestry Society genealogist Fred Hart will walk us through the back pages of the land records of some Fairfield County towns.

Sometimes there is more to the story.

In examining the land records, many colorful characters and strange circumstances have been captured in the “back pages.” Hear some of the stories that Fred has found and learn how to recognize clues in the indexes to fill out unexpected sidebars to your own family history.

Frederick C. Hart, Jr. is a professional genealogist, a Certified Genealogist, and Fellow of the American Society of Genealogists.

He specializes in Fairfield County research and is contributing editor to our journal, *Connecticut Ancestry*.
